

Invitation to Bidders
TOWN OF LURAY
Leaksville Road Waterline Project
RFP 2017-001

This project involves the construction of approximately 1,300 linear feet of new water line installation from the valve recently installed by the Town of Luray at the Northern End of the State Police Property (Tax Map 41-A-123) to the tie in with the existing 2" line to the South of the Luray Volunteer Rescue Squad property (Tax Map 41-A-118). All of the waterline materials including pipe, fittings, valves, hydrants, and backfill stone shall be provided by the Town. The Contractor shall be responsible for installation of the pipe and appurtenances, borings, any and all paving, entrance repairs, any utility pole reinforcement/stabilization, and traffic control (along with VDOT Land Use Permit). The entire project must be completed by December 8, 2017.

Documents can be obtained by contacting Tyler Austin, PE at 540-743-9227 or emailing at taustin@raceyengineering.com. Hard Copies of the plans and project manual can be provided for a non-refundable \$50.00 charge per set.

Proposals will be received in accordance with the information posted in the Bid Documents until 2:00 P.M., October 20, 2017.
