

Introducing Creekside Commons

Donations are now being accepted at the newest pocket park in Downtown Luray!

\$700 Bench (2 needed)

\$1000 ADA Picnic Table

\$450 Bicycle Rack

\$600 Trash Can (2 needed)

\$1300 Recycle bin

The Luray Downtown Initiative in partnership with The Town of Luray have begun to build a brand-new pocket park in downtown! Creekside Commons is located on Broad Street, just before our 4-way entrance into Downtown Luray. The park will provide much needed additional parking, handicap accessible picnic tables, benches and more! We will also have a new photo opportunity for locals and tourists to commemorate their time in our beautiful town! We are thrilled to be able to create a new space for everyone to enjoy and that will support businesses downtown too. We need your help!

If you would like to be a part of this exciting project, items can be donated at the prices indicated above. Prices include the item, shipping, and installation. A nameplate with the inscription provided below will be mounted at each item to help share with our community who helped make this park come to life. If you wish to share the cost of an item with other individuals or a company, we will make provisions to put additional nameplates on the item of your choice. You will be contacted once your donation reaches the end of its lifespan.

Please complete the donation form attached and include your check made payable to the The Luray Downtown Initiative. LDI is a 501c3 Non-Profit organization so donations can be tax deductible with a tax letter request. Legibly print the inscription as you wish to have it appear on the nameplate. Limit the number of letters on each line to thirty-one characters.

Thank you,
The Luray Downtown Initiative and Parks and Recreation
